

# Argila Brick

Dentro de la tendencia industrial del 'ladrillo visto' como decoración, la colección 'ARGILA BRICK' incluye diferentes referencias en tonos neutros que revisan este concepto. Diferentes tamaños y acabados para aplicar el formato 'brick' a todo tipo de revestimientos.

'ARGILA BRICK' is inspired by exposed brick walls used as decorative features. The collection comprises various different neutral-coloured models on a brick theme in a choice of formats and finishes so that a brickwork appearance can be brought to wall surfaces of all kinds.
